Hi Wayne

I've been keeping one eye on proceedings at the appeal and managed to watch you giving evidence yesterday.

I was surprised by the questions put to you by the council's QC as regards David Lloyd Leisure's commitment to this project, as I thought our commitment to the planning application was clear from my letter to you dated 12<sup>th</sup> April 2021.

To confirm and highlight the basis of our commercial and legal agreement as drafted; in the event of a successful appeal it is the intention of David Lloyd Leisure to build and fitout the proposed club in accordance with the submitted plans and to a premium standard commensurate with a new-build David Lloyd Club. We will then operate this club in a manner familiar to existing members of our current club, offering a variety of membership prices and packages – many of which are below the £125 quoted during the appeal.

I am surprised that the council's QC chose – at a planning appeal - to focus on what are commercial rather than planning considerations.

All the best with the remainder of the appeal – and please feel free to share this note with the Inspector.

Kind regards

Brendan
