Land To The North And South Of, Goldsworth Road, Woking, Surrey, GU21 6JT

Application Reference: PLAN/2020/0568

Dear Sir,

Thank you for oversight of this project. The CAA do not have any comments to make on the proposed application.

Please note, it is the responsibility of an aerodrome licensee holder to safeguard their property and surrounding airspace and given the height of this build and its location, Fairoaks Airport and Farnborough Airport should be consulted if they have not been already.

Given the potential for unusual landing operations, it is also advisable to consult NPAS and London Air Ambulance.

Additionally, crane operations associated with planned developments should be in accordance with our guidance on the subject, detailed in CAP 1096.

The CAA will not have comments to make on development projects unless CAA property is involved, but we will offer guidance pertaining to aviation safety and direct developers or LPAs to the relevant regulations on request.

Yours faithfully,

Ashley
