Re: Planning Application No. PLAN/2020/0568 – Demolition of buildings & the construction of 965 residential units, commercial uses, homeless shelter in buildings varying between 9 & 40 storeys with associated works on Land to the North & South of Goldsworth Road, Woking

Our Ref: LGW4192

Thank you for your email/letter dated 06 July 2020, regarding the above mentioned consultation.

The proposed development has been examined from an aerodrome safeguarding perspective and does not conflict with safeguarding criteria. We therefore have no objection to this proposal.

We would, however, make the following observation:

CAA Notification

As the proposed development exceeds 91.4m AGL, upon grant of permission, Working Borough Council are required to notify the Civil Aviation Authority (CAA) as required under Annex 2 paras 30 – 32 of DfT/ODPM Circular 01/2003 'Safeguarding of Aerodromes & Military Explosives Storage Areas'.

If you have any queries please do not hesitate to contact me.

Yours sincerely
