Stance: Customer made comments in support of the Planning Application

Comment Reasons:

- Positive support for the development

Comment: This development represents an opportunity for Goldsworth Road to follow central Woking into the 21st Century, which will gentrify and improve the surrounding area.

In particular, the new homeless shelter will place Woking at the forefront of social responsibility and ensure that the homeless are better supported along their journey to being rehoused. It is nice to see a development that cares about more than just its bottom line.
