

Plan/2020/0568

Oakdene
Bridge Barn Lane
Woking
Surrey GU24 6NL

- 4 AUG 2020

Sirs,

I strongly am against the building of more tower blocks in Woking. There is not enough schools, doctors or hospitals etc to cope with the people who now live in Woking so what happens in the future. You have made no provision for future residents.

I am 86 and lived here for 45-50 years and if I had my time again would not wish to come and live here.
