Subject: OBJECTION TO PLANNING PERMISSION REFERENCE PLAN/2020/0568

Dear Sir/Madam,

I would like to object in full to the redevelopment at GU21 6JT on the grounds that the development makes highway alterations to Goldsworth Road and will have a detrimental impact on my business and the other surrounding businesses, this development will see part of Goldsworth Road pedestrianised and stop through traffic via Goldsworth Road.

This will severely reduce passing trade and will force anyone who wishes to access the business's to divert through Lockfield drive or Forge way.

This will have a detrimental effect on business and increase travel times around the town.

Coupled with this is the lack of development of Woking station to deal with the increased passengers, lack of development of affordable housing, no provision in development for already over subscribed schools. And finally the lack of additional parking.

Regards,

Jack Fillingham

Director

Woking Yamaha
