Dear Mr Bougnague

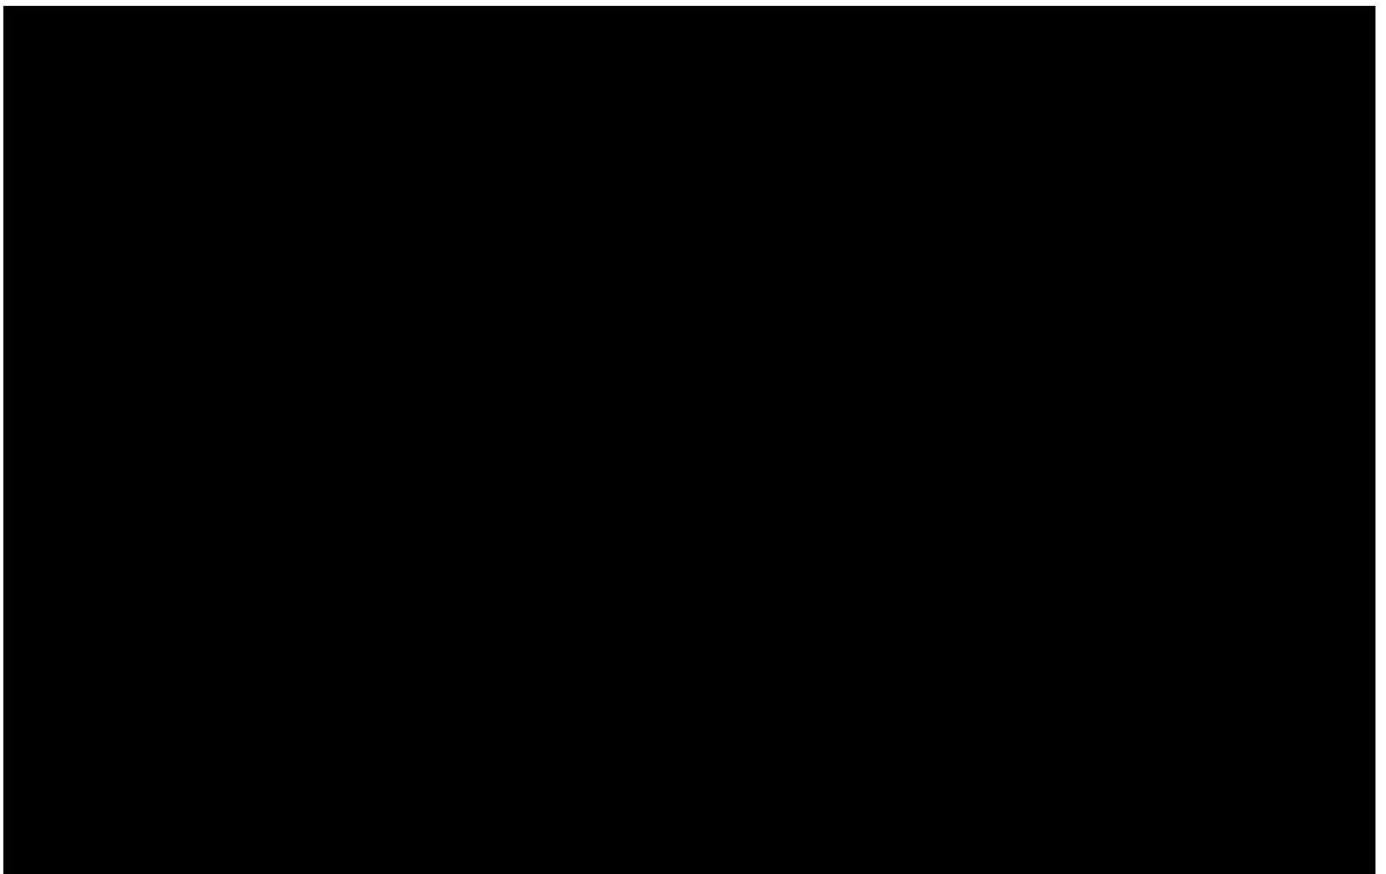

I submitted them online, but there must have been a glitch, and it didn't send correctly. Unfortunately I didn't type it out in a word document before, so I could easily copy and paste and resubmit, I wrote it all online, via the planning portal.

Anyway, I strongly object to this planning application, and wholeheartedly agree with all the comments made by Mr Roger Nuttall, and others.

I strongly hope that the application will be rejected, on the 12th January.

Regards

Claire Hammond
