**Categories:** Frances

Dear Sir/Madam,

I wish to OBJECT to the above planning application for the following reasons:

- The proposed buildings are too high and will take attention away from Victoria Square.
- The buildings will not enhance the image and character of the area.

Given the current pandemic & the lack of commuting for the foreseeable future ( if ever) where is the market for these flats ?

- Only 2% are 3 bed and suitable for families and that does not address local needs.
- Insufficient parking spaces have been allowed which will impact on surrounding areas, already with huge parking problems.
- There will be a loss of daylight/sunlight in the area.

Yours Sincerely

Mr Richard Hockley
