To the above planning officer,  
my name is David Mcclleave 21 Graylands, Woking Surrey GU21 4LS. I would like to object to the above planning application. There is not enough social housing in this application, which should be at least 20% for ordinary lower working class people to afford to have somewhere to live.  
I also strongly object to Woking looking like Croydon with its huge ugly tower blocks that lay empty at a cost to the tax payer.

Kind regards  
David Mcclleave
