## Comment Details

Commenter Type: Resident (local res.- member of public)

Stance: Customer objects to the Planning Application

Comment Reasons:

- Generation of noise level
- High-over density of development
- Traffic Volume

Comment: Already experiencing massive development based upon easy rail access to London. Given Corvid 19 will as many wish to commute to London!!?

To now plan more major development with an overburdened infrastructure will seriously inconvenience existing inhabitants, not only in Goldsworth Road area, but in all of the Woking town and surrounding area.
